LETTER OF KOSHER CERTIFICATION

January 1, 2024

TO WHOM IT MAY CONCERN,

This is to certify that the following products manufactured by ROUSSELOT, Inc., at its plant in Peabody, MA, are made under my supervision in full accordance with Jewish Dietary Laws:

BOVINE BONE GELATIN
BOVINE BONE HYDROLYZED GELATIN
BOVINE BONE HYDROLYZED COLLAGEN

These products are manufactured exclusively from cattle bones, chemically purged of all extraneous material. The raw material is rendered pure ossein or collagen. According to Jewish Law, bones in this state are not included in any of the categories of forbidden foods. A detailed explanation for the approval of the aforementioned products, including the chief sources in Jewish Law relating to this subject, is available upon request.

The ROUSSELOT gelatin and collagen products manufactured at the above location are Kosher and Pareve. The gelatin is Kosher for Passover. I hereby endorse them as Kosher under the "Shin K" symbol.

NOTE: When received directly from ROUSSELOT these products are Kosher even when not bearing the "Shin-K" symbol.

This certification is effective through December 31, 2024, and is subject to renewal at that date.

Sincerely Yours,

Rabbi Noah S. Sheinkopf
